

Introduction to Stained Glass Boot Camp:

This is a fun class that takes you from beginning to end on how to create a small 8"x8" stained glass panel. Whether you are a beginner or have never done stained glass or are an experienced glass cutter, we guarantee you will learn something new and have FUN!

Note: The class project pattern is not important. We will be providing a pattern that will exercise different techniques. It is the knowledge and skills set you will learn from creating this small abstract panel that is important!

Here is the Material List. If you don't have the thin marker, we do have them for purchase in the store.

Week One - Material List:
